

# INT301 Assignment CA2

Name: Nalla Vipul Reddy | Roll No: 68 |

Reg No:11615324

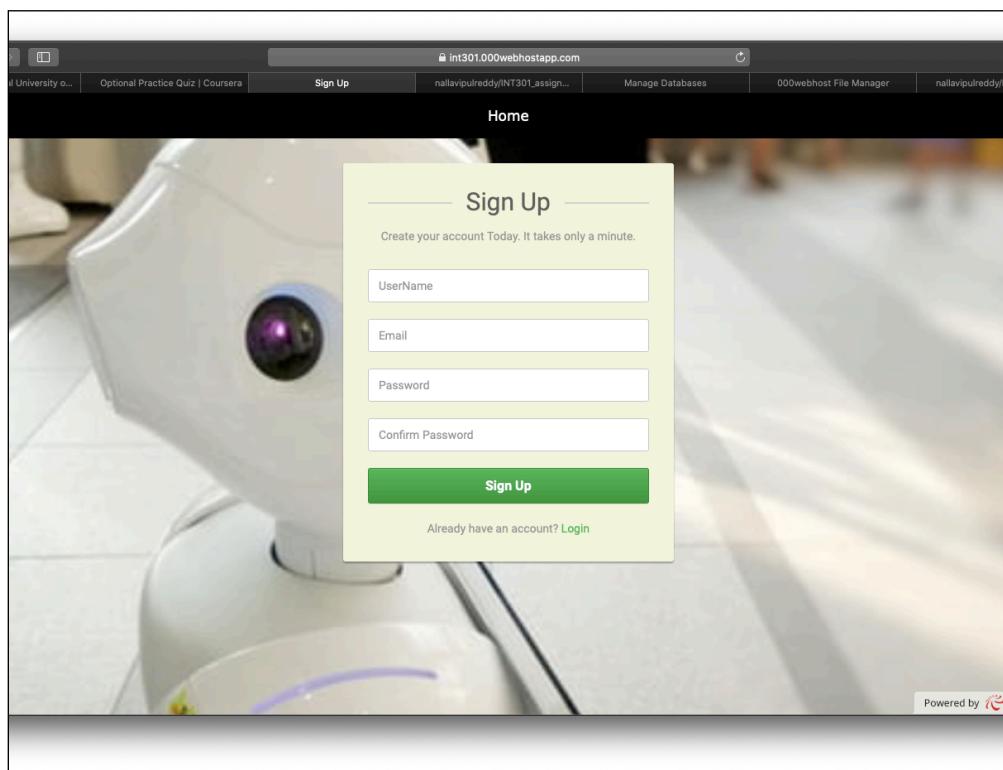

# Problem Statement

Create a login and signup page as below. Save the entries in database . When you are done with signup , it should be directed to login up

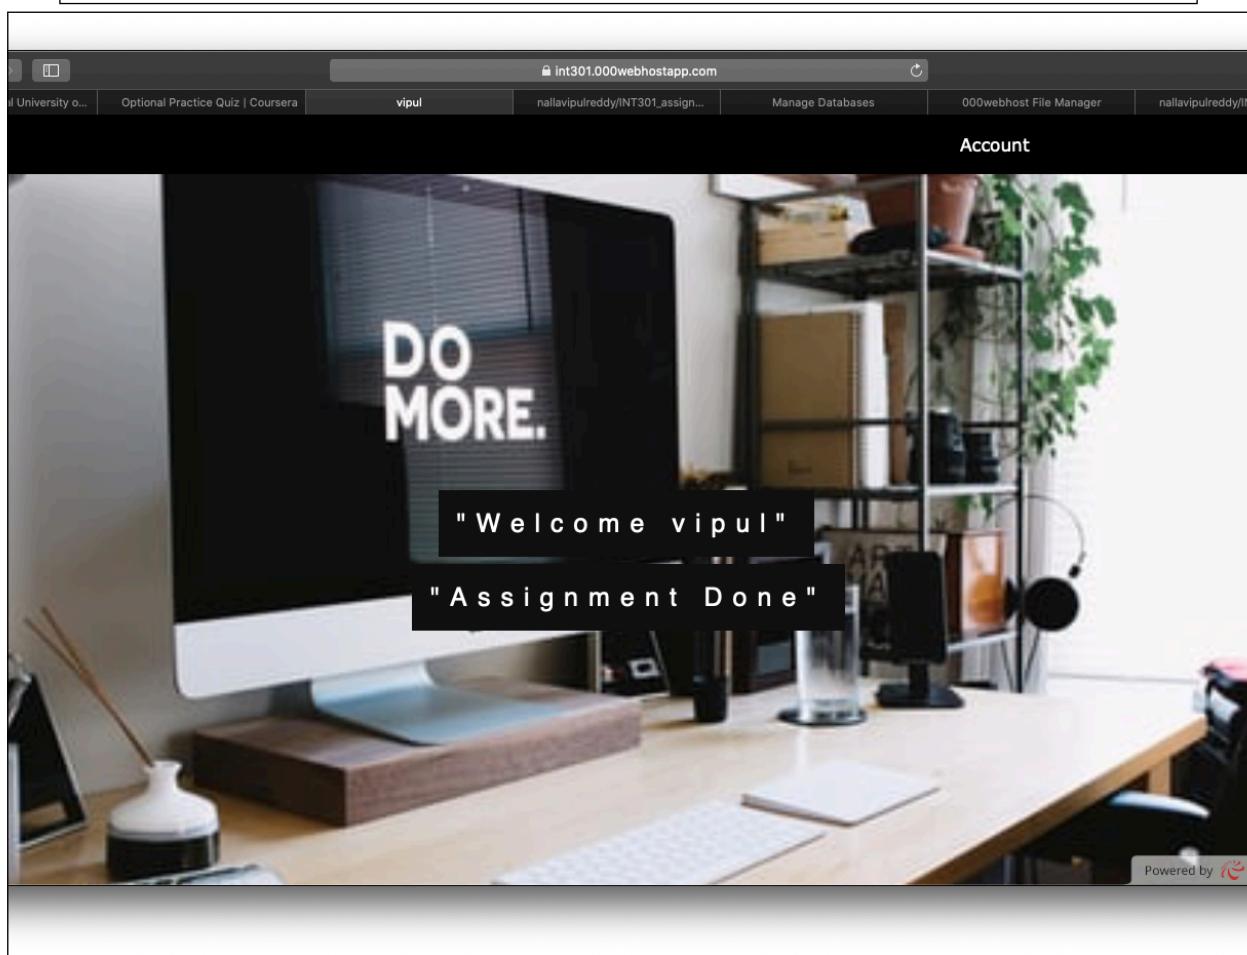

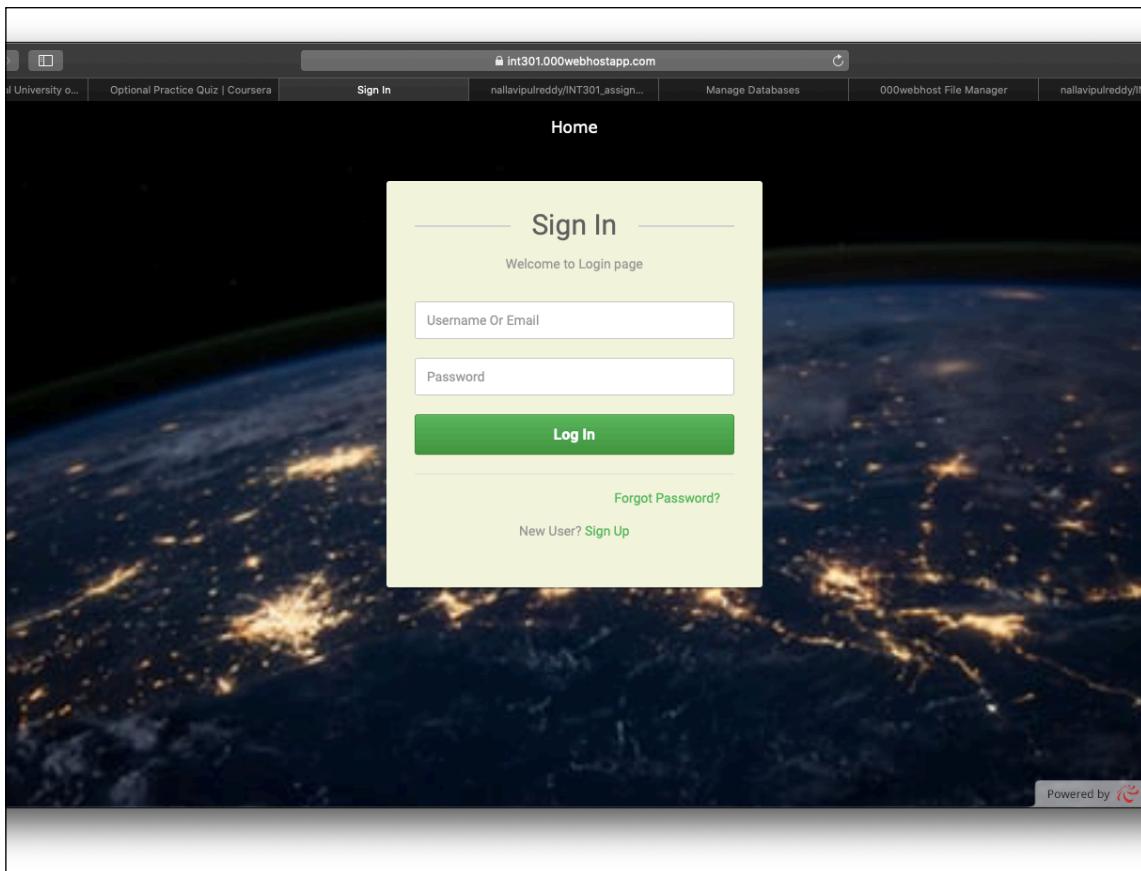

Github link: [https://github.com/nallavipulreddy/INT301\\_assignment.git](https://github.com/nallavipulreddy/INT301_assignment.git)

Hosted: <https://int301.000webhostapp.com>

The screenshot shows a 'phpMyAdmin' interface connected to 'localhost:3306' and the database 'id13114272\_int301'. The 'users' table is selected, displaying two rows of data:

	id	username	email	password	date
<input type="checkbox"/>	1	vipul	vipulreddy00@gmail.com	\$2y\$10\$XEi2Z/OVnX.6YZz5Cb1CnOwcUH.J9fErI67DHz51ckp...	2020-04-01 16:46:06
<input type="checkbox"/>	2	test	test@gmail.com	\$2y\$10\$HykyHPOAFYhwJLlvY8jF6uOfITxqCywBP92U2pThv6G...	2020-04-01 17:43:27
